

**Mashantucket Pequot Tribal Nation  
Office of the Land Use / TOSHA Commissioner**

The following codes, along with their associated supplements, are applicable and enforced by the Mashantucket Pequot Land Use Commission (the “Commission”) for all land use activities occurring on the Mashantucket Pequot Reservation (the “Reservation”);

1996 BOCA National Building Code  
1999 CONNECTICUT SUPPLEMENT with 2000 Amendments  
1995 CABO One & Two Family Dwelling Code  
1996 International Mechanical Code  
1997 International Plumbing Code  
1995 Model Energy Code  
1997 NFPA 101 Life Safety Code  
1999 National Electrical Code  
1996 BOCA National Property Maintenance Code

Pursuant to decision of the Commission, code updates are not applicable until such time as they are specifically adopted by the Commission. Land Use activities that are undertaken by the Mashantucket Pequot Tribal Nation (the “Tribe”) which are located off the Reservation are subject to local jurisdiction, however, all such tribal development is subject to the review of the Commission.

**TRIBAL OSHA**

The Tribe has adopted a Tribal OSHA program (“TOSHA”). All construction that takes place on property owned and/or operated by MPTN is subject to review by TOSHA personnel. All such construction must conform to TOSHA requirements. These TOSHA regulations are substantially similar to OSHA regulations. For more information call William Guevremont (860) 396-6789.
